ADMINISTRATION

DEDICATION

To Mr. William McLean, teacher, adviser, and friend, this annual is dedicated. As a teacher, he has inspired us to higher ideals and deeper thinking; while his capable direction has enabled the Senior Class and Hi-Y to prosper. Mr. McLean has been a friend to every one of us, although we will not fully realize this until we make use of what he has taught us. With deepest gratitude, we dedicate this annual to Mr.

William T. McLean

STUDENT COUNCIL

This year the Student Council had one of its most successful years under the leadership of Steve Langenberg.

The Student Council added four new members to its original student body officers. They are as follows: Song Queen, Historian, Ma-Hi Times Editor, and Mahiscan Editors.

The first of its many accomplishments was the Freshman Mixer held in the Boys' Gym. It passed out the student handbook again, but this year the council limited its distribution to Freshmen and new students.

The noon movies have improved over the past years, with the cooperation of the Student Council. The selection of films was better and a wide Cinemascope screen was purchased. The new sound system was put in the Girls' Gym and the Student Council rented it to different organizations.

The Student Council was in charge of all the National Assemblies. The Council was in charge of the New Year's Eve Ball and was helped by many other clubs on this occasion. The Student Safety Program on the crosswalks in front of the Boys' Gym was another one of their new projects.

JUNIOR CLASS

In 1954, as green freshmen, we entered MHS. We settled down to be a very industrious group of students. We were filled with school patriotism that first year, and from then on we have been involved in all kinds of activities, the highest point being reached this year.

"Carousel" was the theme of our Junior Prom with the band providing the music from a large merry-go-round in the center. A park scene, balloons, streamers, pink lemonade, and costumed servers, added to the fun and excitement.

We sponsored an after-game dance, sold doughnuts, and auctioned off our seats in the classrooms for the March of Dimes.

We honored the seniors with a dessert, decorated for graduation and baccalaureate, put on a talent show, entered a float in the "Beat North Bend" rally, sold ice cream at basketball games, and were well represented in the various school clubs and sports events.

SOPHOMORES

We Sophomores were busy this year! Our advisors were Mrs. Sigismund, Mr. Burch and Mr. Hardy, and we have accomplished much under their helpful guidance.

First, we sold pencils with football schedules on them. Then we worked hard on a rummage sale which was very profitable. Later in the year we put on a coat hanger drive and sold the hangers to cleaners. And finally we held a dance to wind up the school year.

These activities were very successful in raising the money which we will need in our junior and senior years.

We would like to thank our advisors and our officers for doing a good job. We had a lot of fun this year, and we are looking forward to an even better junior year.

FRESHMEN

The first day of high school was quite an exciting day for the new Freshmen of Marshfield Senior High. Our class gets its first impressions of high school after a busy day of finding new rooms, meeting new teachers and classmates.

On September 9 a mixer was given to honor us. There was dancing, music played by the Henhouse Three and One Cracked Egg, movies, and refreshments.

Our class held a food sale at which cookies, candy, breads, and other pastries were sold. It was a big success.

We would like to thank Mrs. Goude and Mr. Johnson, our advisors, for the wonderful job they did during the year in advising our class.

MAHISCAN

Under the leadership of co-editors Judy Finell and Katy Finell, and the advisor, Walter Paczesniak, the staff of the Mahiscan has made picture appointments, written stories, glued, arranged, and collected pictures, all in preparation for this, the thirty fourth edition of the Mahiscan.

This annual, in years to come, will remind you of friends' activities, and the fun you had while in high school.

So, after waiting in a long line for the once-a-year occurrence, the purchase of your Mahiscan and seeking the signatures of your friends, is your "key to golden memories."
